

Looking for bigger opportunities?

**Opening
August, 2010**

Richland Two Charter School is designed for rising 11th and 12th grade students looking for the opportunity to gain work experience as they earn a high school diploma and to customize their course work using virtual curriculum and a flexible schedule.

- ✓ **Are you looking for a different high school experience?**
- ✓ **Do you want the flexibility to design your own path to graduation?**
- ✓ **Are you looking for an opportunity to gain experience in your career field through apprenticeships and internships?**
- ✓ **Do you want a private school setting at a public school cost?**
- ✓ **Are you interested in exploring exciting career fields such as:**

- Arts, Audio Visual Technology, Interior Design and Communications
- Science, Technology, Engineering, and Mathematics
- Information Technology
- Health Sciences
- Hospitality and Tourism
- Law, Public Safety, and Security
- Architecture and Construction
- Agriculture, Food, and Natural Resources
